

16th October 2018

Registration

7:00AM - 6:30PM Level 1 Foyer

Joint Welcome Address

8:15AM - 8:30AM Meeting Room 105-106

ANZOS-Breakthrough Discoveries MDO Plenary

8:30AM - 9:30AM Meeting Room 105-106

- Matthias Tschöp, Helmholtz Zentrum München

Morning Tea

9:30AM - 10:00AM Level 1 Foyer

Breakthrough Discoveries Symposium #1: Metabolic Crosstalk

10:00AM - 12:00PM Meeting Room 101-102

- Kristina Schoonjans, *Ecole Polytechnique Fédérale in Lausanne*
- Mark Febbraio, *Garvan Institute of Medical Research*
- Matt Watt, *University of Melbourne*
- Anton Bennett, *Yale University*

ANZOS Cross Cutting Symposium #1 Public Health / Clinical

10:00AM - 12:00PM Meeting Room 103

Obesity and mental health - diet as a shared risk factor for obesity and common mental disorders

- John Dixon, *Baker IDI Heart and Diabetes Institute*
- Michael Berk, *Barwon Health*
- Jayashri Kulkarni, *Monash University*

Lunch & Poster Session 1

12:00PM - 1:00PM Level 1 Foyer

ANZOS Concurrent #1 Public Health Invited Symposium

1:00PM - 3:00PM Meeting Room 105-106

Retail settings – how to improve the food supply

- Joel Gittleston - "Facilitating change in retail settings covering government, small stores and supermarkets."
- Megan Cobcroft - "The facilitators and barriers to implementation from the experience of government in settings under their control."
- Anna Peeters - "What else can be implemented to enhance policy outcomes including pricing, labelling, placement and product."
- Carson Brooks - "The experience of Wester Leisure Services in improving the nutritional value of the food supply from a business perspective."

Breakthrough Discoveries Symposium #2: Insulin Resistance

1:00PM - 3:00PM Meeting Room 101-102

- Greg Steinberg, *McMaster University*
- David James, *Charles Perkins Centre, University of Sydney*
- Dorit Samocha-Bonet, *Garvan Institute of Medical Research*
- Nolan Hoffman, *Australian Catholic University*
- *Short talk to be selected from abstracts*

ANZOS Concurrent #2 Clinical

1:00PM - 3:00PM Meeting Room 103

Eating with rhythm – does meal timing matter?

- Leonie Heilbronn
- Amanda Sainsbury
- John Hawley

Afternoon Tea

3:00PM - 3:30PM Level 1 Foyer

ANZOS Concurrent #3 Public Health Orals from Abstracts

3:30PM - 5:30PM Meeting Room 105-106

Breakthrough Discoveries Symposium #3: Hormones in Metabolism

3:30PM - 5:30PM Meeting Room 101-102

- Helen Thomas, *St Vincent's Institute of Medical Research*
- Michael McGuckin, *Translational Research Institute, Mater Research*
- Herbert Herzog, *Garvan Institute of Medical Research*
- *Short talk to be selected from abstracts*
- *Short talk to be selected from abstracts*

ANZOS Concurrent #4 Clinical Orals selected from Abstracts

3:30PM - 5:30PM Meeting Room 103

Welcome Function & Poster Viewing

5:30PM - 7:00PM Level 1 Foyer

GP Evening Symposium

7:00PM - 10:00PM Meeting Room 103

- Michael Cowley
- Kirsi Pietilainen
- Marlene Tham
- Georgia Soldatos

ECR Networking Function

7:00PM - 10:00PM

17th October 2018

Registration

7:30AM - 5:30PM Level 1 Foyer

Breakthrough Discoveries MDO Plenary

8:00AM - 9:00AM Meeting Room 101-102

- Eleftheria Maratos-Flier, *Joslin Diabetes Center, Harvard Medical School*

ANZOS Public Health keynote

9:00AM - 10:00AM Meeting Room 105-106

Breakthrough Discoveries Symposium #4: Nutrition & Metabolism

9:00AM - 10:00AM Meeting Room 101-102

- Samantha Solon-Biet, *Charles Perkins Centre, University of Sydney*
- Adam Rose, *Monash Biomedicine Discovery Institute, Monash University*
- Stefan Broer, *Australian National University*

Morning Tea

10:00AM - 10:30AM Level 1 Foyer

ANZOS Concurrent #5 Public Health

10:30AM - 12:30PM Meeting Room 105-106

Measurement in relation to adolescents and young adults

- TBC
- Erin Hoare
- TBC

Breakthrough Discoveries Symposium #5: CNS Control of Metabolism

10:30AM - 12:30PM Meeting Room 101-102

- Sabrina Diano, *Yale University*
- Michael Cowley, *Monash Biomedicine Discovery Institute, Monash University*
- Zane Andrews, *Monash Biomedicine Discovery Institute, Monash University*
- *Short talk to be selected from abstracts*
- *Short talk to be selected from abstracts*

ANZOS Concurrent #6 Clinical

10:30AM - 12:30PM Meeting Room 103

How much is enough?

- Zoltan Pataky
- Kirsi Pietilainen
- Nathan Johnson

Lunch & Poster Session 2

12:30PM - 1:30PM Level 1 Foyer

ANZOS Concurrent #7 Public Health

1:30PM - 3:30PM Meeting Room 105-106

Breakthrough Discoveries Symposium #6: Adipocyte Biology & Energy Homeostasis

1:30PM - 3:30PM Meeting Room 101-102

- Shingo Kajimura, *University of California San Francisco*
- Damien Keating, *Flinders University*
- Johan Auwerx, *Ecole Polytechnique Fédérale in Lausanne*
- *Short talk to be selected from abstracts*
- *Short talk to be selected from abstracts*

ANZOS Concurrent #8 Clinical

1:30PM - 3:30PM Meeting Room 103

Afternoon Tea

3:30PM - 4:00PM Meeting Room 105-106

MDO Keynote Plenary

4:00PM - 5:00PM Meeting Room 101-102

- Tamas Horvath, *Yale University*

ANZOS ECR Symposium

4:00PM - 6:00PM Meeting Room 105-106

Breakthrough Discoveries Closing Remarks & Awards

5:00PM - 5:30PM Meeting Room 101-102

Conference Dinner

7:30PM - 10:30PM

18th October 2018

Registration

7:00AM - 4:00PM Level 1 Foyer

ANZOS Plenary 3

8:30AM - 9:30AM Meeting Room 105-106

Metabolic effects of acquired obesity - lessons from twin studies

- Kirsi Pietilainen

ANZOS YIA

9:30AM - 10:00AM Meeting Room 105-106

Morning Tea

10:00AM - 10:30AM Level 1 Foyer

ANZOS Cross Cutting Symposium #2

10:30AM - 12:30PM Meeting Room 105-106

The forefront of different research approaches in obesity and metabolic disease

- Jeff Flier
- Jerry Greenfield
- Joel Gittelsohn

Lunch & Poster Session 3

12:30PM - 1:30PM Level 1 Foyer

ANZOS Mini Oral Presentations

12:30PM - 1:30PM Meeting Room 105-106

ANZOS Concurrent #9 Public Health

1:30PM - 3:30PM Meeting Room 105-106

How do we need to impact food systems to address obesity?

- Sharon Friel - "Exploring the role of food systems and equity using the example of trade law."
- Jo-An Atkinson - "How can system modelling help us understand how we need to influence the food system."
- Shelley Bowen - "What approaches can be used to change the system, how do you scale up using collective impact and community models."

ANZOS Concurrent #10 Clinical

1:30PM - 3:30PM Meeting Room 101-102

Challenges of severe obesity in adolescents

- Louise Baur
- Leah Brennan
- Sarah Garnett

ANZOS Concurrent #11

1:30PM - 3:30PM Meeting Room 103

Systems genetics to examine the interaction between genes and environments in obesity research

- Brian Drew
- Jacky Stöckli
- Greeg Cooney

ANZOS Closing Session

3:30PM - 4:30PM Meeting Room 105-106
